In addition, a student who is enrolled in all required classes in the spring commencement semester, has a 2.0 overall GPA, has passed the senior or pharmacy comprehensive examination, but fails only **ONE** required course during that last semester will be allowed to participate in commencement exercises. Withdrawal from any required courses will prevent the student from participating in the commencement exercises. (Xavier Catalog 2020 -2021)

Specifically:

I understand that I must be enrolled in **ALL** remaining required courses by the last day of drop/add for the Spring 2021 semester. If I

Scores for national exams (i.e. Praxis and GRE) must be received prior to the last class day of the semester in which the student plans to graduate. **Students are encouraged to take these exams in the semester prior to graduation to allow sufficient time for the Registrar to receive their scores.**

I understand that I will not be eligible to participate in the May 2021 commencement if

1. I have not passed my designated senior comprehensive examination
or
2. My scores from the designated national examination have not been received prior to the last class day of the Spring 2021 semester

_____ (**Initial**)

I understand that Xavier's stated policy on transfer courses governs the degree evaluation process.

1. Approval for transfer of credits to Xavier from some other educational institution must be received **prior** to the student's enrollment at that institution. Otherwise, the credits will not be accepted at Xavier.
2. Students who wish to participate in the Spring commencement ceremony should not enroll in more than 1 required course at another institution (including partner institutions) for the Spring semester. Grades from these schools will not be available in time to confirm commencement participation eligibility. If you enroll in more than 1 required course at another institution, you will not be eligible to participate in commencement if we have not received an official transcript from the institution's Registrar's Office by April 27, 2021.
3. Students who anticipate using CLEP scores to satisfy course requirements must be registered for the CLEP examination by **March 31, 2021. Score/s from the examination must be received prior to the last class day of the Spring semester.**

I understand that I must satisfy **all** financial obligations to Xavier University (i.e. Student Accounts, Library Fines, Parking Tickets, Student Health Services) in order to participate in the May 2021 Commencement Ceremony. The deadline for satisfying financial obligations is April 23, 2021.
