

Annual & Endowed Scholarships

PHILANTHROPY HONOR ROLL

Donor Named scholarships augment University Scholarships and provide students additional support for tuition and fees. We are grateful to our 2020-2021 annual and endowed scholarship donors and recognize their gifts in support of education in memory and/or in honor of their loved ones. Their generosity has fueled the realization of dreams of higher education and the completion of degrees for deserving students now and in the future.

Thank you!
